

# 2018 PDAC-SEG Student Minerals Colloquium

5 March 2018, 12-7 pm

## CALL FOR ABSTRACTS AND POSTERS

On **Monday 5 March 2018**, the **PDAC**, the **SEG Canada Foundation**, the **Mineral Exploration Research Centre**, **Goodman School of Mines**, and the **NSERC-CMIG Exploration Footprints Network** in cooperation with Student Leaders from the **Laurentian University** and **Ottawa-Carleton Geoscience Centre SEG Student Chapters** will host the Annual “**Student Minerals Colloquium**” in the Concert Hall of the Royal York Hotel in Toronto. The Colloquium will include more than 100 poster presentations highlighting current research on mineral deposits and related studies by students across North America.

All students (BSc, MSc, PhD) working on projects with a link to mineral deposits (e.g. mapping, mineralogy, geochemistry, geophysics, environmental, hydrogeology) are encouraged to participate. This event attracts hundreds of industry participants who are attending PDAC and therefore provides the widest-possible exposure for your work.

### Abstracts

All posters must be accompanied by an abstract, which will be published on the PDAC-SEG Student Minerals Colloquium webpage in a format that is citable. Abstracts must be in the following format; any abstracts not received in this format will be rejected.

#### Title

**XX LastName<sup>1</sup>, YY LastName<sup>2</sup>, ZZ LastName<sup>3</sup>**

<sup>1</sup>Department, University, City, Province; <sup>2</sup>Department, University, City, Province; <sup>3</sup>Department, University, City, Province;
